All the Head Masters further informed that, it came to the notice that many Private Schools Management are not following the academic calendar issued for the year 2017 – 2018 and all the schools recognized by Government of Telangana shall follow the academic calendar. However some managements are conducting SA1, SA2 and SA3 i.e., and more number of unit test which causes much strain and stress on the part of the students. More times need to be devoted for transacting the syllabus and class room discussions rather than increasing the number of examinations. The State team shall visit the schools and observe implementation of academic calendar and other deviations if any.

Therefore, all the Head Masters are requested to focus on the above issues and see that smooth conduct of Grand Test and Pre-final examinations as per the Schedule as above and also implement in all Private School Management shall follow the academic calendar scrupulously.
